

DAY 4

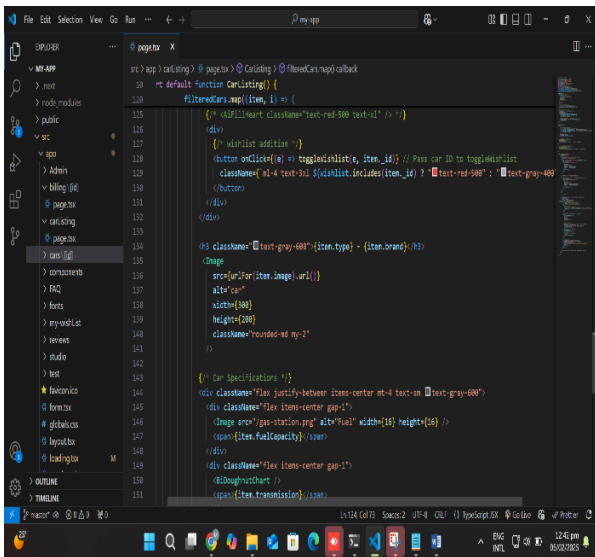

BUILDING DYNAMIC FRONTEND COMPONENTS FOR YOUR MARKETPLACE

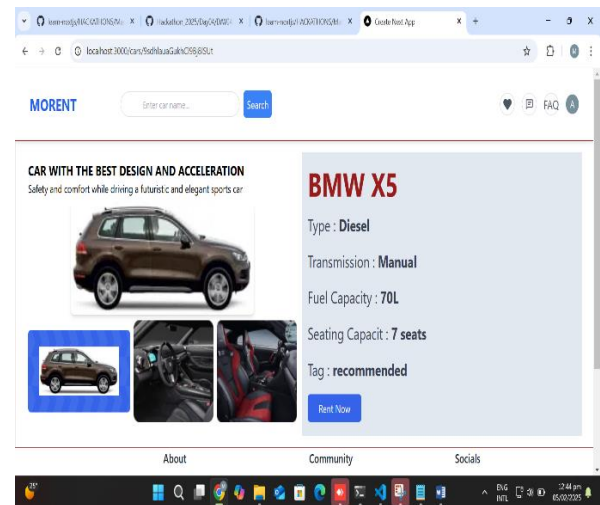

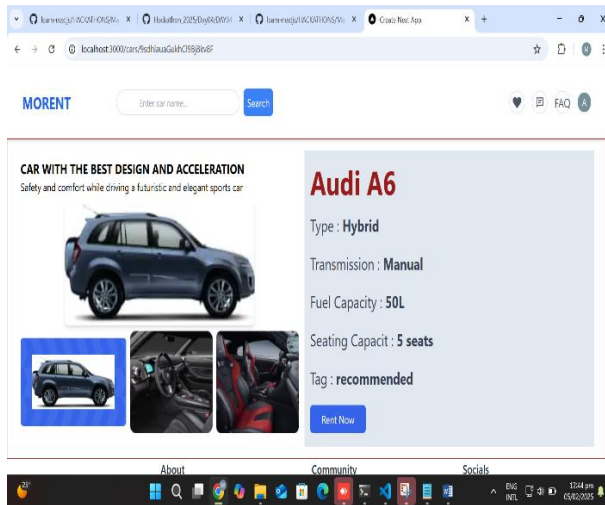

1. Listing Component:

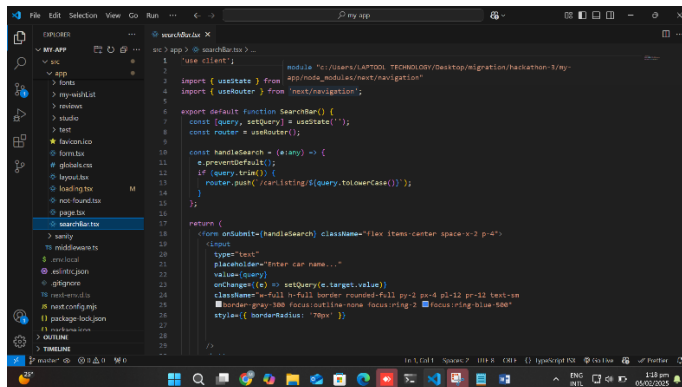

2. Product Detail Component:

- Individual product details pages using dynamic routing in Next.js:
 - Car Description
 - Car Types
 - Sitting Capacity
 - Fuel Capacity etc.,

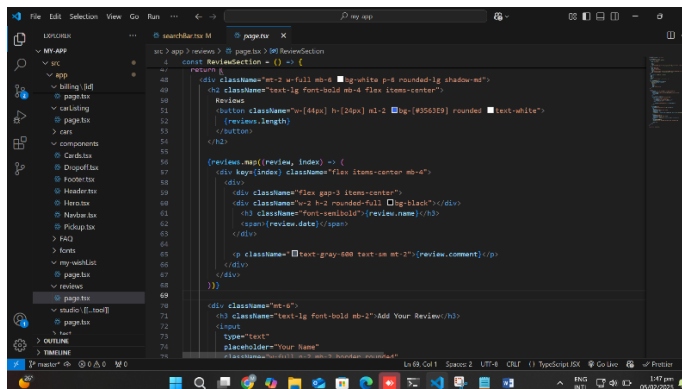

- Filtering of products by selected categories.
3. Search Bar:
- Filter car from car listing

4. Review Component:

- Alex Stanton 21 July 2022

- Alex Stanton 21 July 2022

• **Skylar Dias** 20 July 2022

We are greatly helped by the services of the MORENT Application. Morent has low prices and also a wide variety of cars with good and comfortable facilities. In addition, the service provided by the officers is also very friendly and very polite.

```

A screenshot of a mobile application interface. At the top, there is a white header bar with a search icon on the left and a heart icon on the right. Below the header is a blue button with the word "Search" in white. The main content area is a light gray rectangle with the word "Wishlist" in bold black text at the top, followed by the text "Your wishlist is empty." in a smaller black font.
